

Any available strata parking stalls will be offered to the next eligible resident on the waiting list, based on the date of application, for either phase of the parkade. If a resident declines an offered stall, they will be moved to the bottom of the waiting list.

Residents who have been allocated a strata parking stall are not permitted to sublet or transfer its use to another unit.

If a unit is sold or a tenant who has applied moves out, the strata parking stall will be returned to rotation.
